The CSC and Convention are two totally separate events.

- The Convention is the "FUN" side of CoDA with meetings, workshops, and a party atmosphere!
- The "CSC" (CoDA Service Conference) is CoDA's Annual Business Meeting where our delegates from all over the world attend to make decisions for the next year and express the group conscience for "CoDA as a Whole". The CSC is July 13th to July 16th, 2010 at the same location.

There will be some overlap of the two events on Friday. If you would like to learn more about service at the CSC and our business side of CoDA, you are all welcome to come see how CoDA operates at the international level and meet your trusted servants!
